Frequently Asked Questions

Q: Who should complete this aid application?

A: Whomever the child resides with should complete this application whether it is a parent, grandparent, aunt/uncle, or legal guardian. There is a section within the application where you can enter contributions from non-custodial parents and relatives.

Q: Why do I need to input my spouse's information if I am remarried and they are not legally responsible for my children?

A: Smart Aid's calculation works off of the total household income, therefore including all income, whether the party is legally responsible for your children or not. A: Include the most recent tax documentation you have available. If you are asked for a specific line from a tax document that you have not yet completed, please estimate the projected amount.

Q: How will I know if I qualify for aid or not?

A: We do not disclose information about the results of your application. All final tuition aid decisions, including notification of an award amount (if any); will be made by your school. For the date award notices will be given, please contact your school directly.

Q: What if I want to edit my application?

A: Once an application has been submitted and paid for it can no longer be edited by a parent. However, if changes are necessary a written statement with the change (including the application ID), should be sent to support@smartaidforparents.com.
